Welcome Back –
A warm welcome back to all our students and their families. I hope you all had an enjoyable and restful school holiday break. Term 3 also sees us welcome back Jude Lowen from long service leave, and Andrea Matheson who also returns after her Acting Principal role at Greta Valley Primary School in Term 2.

THANK-YOU-
I would like to say a sincere thankyou to the Wangaratta Primary School students, parents, staff and wider community for all their kind words, thoughts, cards, flowers, well wishes, prayers and meals following my accident in early June. Your kind thoughts and gestures really made a difference, and made a difficult time a little easier for both myself and my family. Luckily, I have now been given the ok to return to work on modified duties for 4 weeks, and am very excited to be back and continuing supporting the wonderful students and staff here at Wangaratta Primary School.

Timetable-
Towards the end of last term, we undertook a consultation process with students, parents and staff in regards to the new timetable that we implemented in Term 2. Feedback was generally positive about the timetable change, however feedback from all parties suggested that increasing the second break to 40 minutes from 30 minutes was the only preferred change. As such, we have now extended the second break to 1.50 – 2.30, which give students an extra 10 minutes to play and socialise with their friends.

Curriculum Day-
A reminder that Monday the 6th of August is a student free day at Wangaratta Primary School. Staff will be spending this day developing their skills in a range of areas in order to better support students with their learning. Please put this date on your calendar as students will not be attending school on this day.

Library Opening Hours-
The library will now be opening from 8am each morning, to allow students the opportunity to come and read or complete homework in a warm and supportive environment. I will be supervising students in the library, and we ask that any students arriving to school before 8.30am in the morning go to the library where they can be supervised until 8.40am when they will then head outside to have a run around or to get organised for the day.
Uniform-
A reminder that all students are required to be in school uniform every day. The wearing of school uniforms helps to develop a sense of belonging and helps to develop school pride. Uniforms can be purchased from either Steer’s Clothing or Worklocker. We also do have some second hand uniforms available from the office for a gold coin donation.

Parent Opinion Survey-
The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted with a sample of randomly selected parents at each school. The Parent Opinion Survey seeks parent opinion on measures of school climate, student engagement and effective teaching practice known to influence student engagement and student outcomes. The survey is aligned with the Framework for Improving Student Outcomes and the Attitudes to School Survey. Schools use the survey results to help inform and direct future school planning and improvement strategies. The 2018 parent Opinion Survey will run from 23 July to 26 August 2018.

The 2018 survey will be conducted online by ORIMA Research Pty Ltd and only takes 15 minutes to complete. The survey can be accessed via a desktop computer, laptop, tablet or mobile at any convenient time within the survey period from Monday 23 July to Sunday 26 August 2018. Our school will provide randomly selected parents with the survey link in a secure manner. Following this, parents can then log-in to the secure site and complete the survey online. Wangaratta Primary School will be beginning the Parent Opinion Survey next week, with selected parents being notified late in the week. If you have questions or require further information, please do not hesitate to contact me.

OHSC – After the Bell-
A reminder that we do have our Outside School Hours Care program up and running. ‘After the Bell’ is our new provider and those children who are currently enrolled seem to be really enjoying the programs on offer. If you would like to enrol your child, or if you would like more information, please contact the office who will be able to assist you with your inquiry.

Feedback or questions-
As a working mother myself, I am aware that it can be difficult to make contact with the school within working hours. As such, I thought it might be handy to provide parents with my school email address so that parents can email me if required at a time that is convenient to them. I am more than happy to be contacted at any time if you have any feedback, questions or concerns and will endeavour to get back to you ASAP. You can contact me at the school on 5721 2658 or anytime via email at moyle.maree.k@edumail.vic.gov.au

Have a great 2 weeks ahead!
Maree

From the Assistant Principal

Welcome Back!
I would like to welcome back all of our school community to the second Semester of 2018. I am extremely happy to be back at Wang PS and look forward to catching up with everyone and getting ‘back to normal’ over the next few weeks.

While I was Acting Principal at Greta Valley PS in Term 2 I had the opportunity to further develop my own knowledge and skills in many areas of school leadership. In the forefront of my mind in any situation was always, ‘how can I use this to improve my work at Wang PS?’ I am extremely grateful for the opportunity and can not thank the school community enough for being so supportive while I was away. I have some more out of school training coming up over the term, only a day or two at a time, but rest assured, I am not going anywhere any time soon! I love Wangaratta Primary School and look forward to continuing to support everyone as we continue our journey of school improvement.
From the Assistant Principal cont.

PLC’s - Professional Learning Communities
Wang PS underwent the extensive PLC training in 2017 and have implemented them strongly in both our junior and senior teams this year. Teams meet for 2 hours each fortnight and focus on an inquiry challenge - an area of the curriculum that they will focus on during the term. Sharing student data, strategies and collegiate support and challenge are important aspects of PLCs. Research has shown that PLCs can significantly improve student outcomes and teacher effectiveness and efficacy.

I was fortunate enough to be involved in further training in the PLC initiative while at Greta Valley PS and was involved in the implementation of PLC’s in the King Valley Cluster. This has enabled me to critically reflect on what is working really well with our own PLC’s and I could use this opportunity to gain ideas and strategies to further strengthen our PLC work at Wang PS. Our PLC focus this year is numeracy which ties in with a key improvement strategy goal of our schools Annual Implementation Plan. This work will ensure we succeed in these goals and I am passionate about supporting staff in this area.

NAIDOC Week
Every year in July Australia celebrates NAIDOC Week – a week to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. This year NAIDOC Week fell in the school holidays, 8-15th July, and the theme is ‘Because of her, we can’, recognising the significant roles Aboriginal and Torres Strait Islander women have played, and continue to play, in our society.

We have been celebrating NAIDOC Week this week at WPS, particularly within Performing Arts. I would like to congratulate Ms Hicks and the F-2 students on their terrific performances this morning at Assembly! While talking with students this week it has been great to hear what they have to say about NAIDOC week and what it represents to them.

Working Bee
Sunday 29th March from 9am - 1pm will be our next working bee. We will continue to work on the every month jobs such as weeding, pruning, cleaning and a tip/green waste run. There is a list at the office of jobs that need to be completed. The support of our families ensure that our school continues to be in the best maintained state it can be and we could not get all these jobs done without you. There are plenty of jobs that the kids can get involved in also. I hope to see many of you there on the day!

Curriculum happenings
It has been a pleasure to see all students settle back into their classes and apply themselves to their learning. I have thoroughly enjoyed spending a but of time in each classroom chatting to the students and seeing what they are achieving!

The Foundation, 1/2 and 3/4 classes are all exploring the comprehension strategy of Visualising this week within their reading sessions to aid their understanding of the book. They are also transferring this strategy to writing where they are learning to identify the features and characteristics of the characters and using word choice to describe them.

The 5/6 students are focusing on a range of comprehension strategies and have started their unit on poetry in writing. In Numeracy the Foundation students are exploring more addition and subtraction strategies, the 1/2’s are learning about money, the 3/4’s are revising multiplication and division and the 5/6’s are learning about chance events and how they can explain the likelihood of these events.

Chelsea from 3/4G
Chelsea worked extremely hard in writing to infer and identify the character traits from the actions the character took in the book.
Fantastic work Chelsea!
From the Assistant Principal cont.

T-Ball
Congratulations to our 5/6 T-ball team who came first at the Ovens & Mitta T-ball competition last term. They will be going to the regional championship next week. Good luck to the team!

Compass

Student Chronicle Entries
Staff are continuously working hard to improve our communication to parents and utilise compass as a means to do this. From the start of this year all classroom teachers have been uploading a weekly update to let you know what is going on in the classroom each week. Although there have been some technical difficulties (which we are still working to completely resolve) feedback has been extremely positive that these are useful and appreciated by parents. Please feel free to provide suggestions or feedback at any time on any other things you would like to see included.

Staff are also putting up ‘green dots’ each day. These are chronicle entries that celebrate the fantastic achievements our students are making. From this term these are now also linked to an email notification so you know whenever your child has been recognised for their success. Please ensure your email address is up to date so you don’t miss this important information.

School Attendance
Schooling is compulsory for children and young people aged from 6 -17 years.
School participation will help your child develop important skills, knowledge and values to further their learning and participation in the community.
Attending school every day also helps your child develop crucial social and emotional skills such as good communication, resilience and the ability to work in teams.
Your school is required to notify parents as soon as practicable on the same day of the unexplained absence, allowing time for the parent to respond. - education.vic.au

Compass will now send out automatic emails at 9:30am if your child is not at school and we have not been notified by you. This requirement supports student safety and wellbeing. Schools need to know when and why a child is absent, and parents/carers need to know if their child is not at school. Prompt communication also promotes daily school attendance.

If your child is sick or away for any reason you need to contact the school to let them know. This can be done by:
♦ Adding an approval on compass, via the app or on a computer. This can also be done in advance if the absence is known.
♦ Email the school
♦ Call the school

Have a great week!
Andrea Matheson
Assistant Principal

**First Aid Roster**

Volunteers Needed:

We are again seeking parent volunteers to be placed on the roster to assist with laundering the linen in our sick bay for 2018. Thankyou to parents who have volunteered to help.

This involves striping & making bed, collecting dirty items from room, washing items & returning them.

Items are to be collected at end of school Friday & returned clean Monday morning.

Generally you will only be required to wash the linen one or two times in a term, depending on how many parents we have on the roster.

Please see the office to add your name to the roster.

2018 Term 3 First Aid Roster—

- Friday 20th July—Steve J
- Friday 27th July—Hayley C
- Friday 3rd August—Jennie G
- Friday 10th August—Naomi C
- Friday 17th August—Stacey W
- Friday 24th August—Mel L
- Friday 31st August—Ameer W
**Premier’s Reading Challenge**

Children from Prep to Year 2 are encouraged to read or ‘experience’ 30 books with their parents and teachers.

Children from Year 3 to Year 6 are challenged to read 15 books.

All children who meet the Challenge will receive a certificate of achievement signed by the Victorian Premier and can choose to have their name included on the online Honour Roll.

Enrolment forms are available from the school office.

When you enrol your house will receive 500 points and there will be a free casual shirt day and on completion of the challenge your house will receive 1000 points and another free casual shirt day.

**Jump Rope For Heart**

Hi Kids! How are your skipping tricks going? Can you do double-unders and criss-cross yet? It’s not long until your Jump Off day, so keep practising.

Have you got any sponsors yet? Why not get Mum and Dad to help you use the computer to get online sponsors. It’s easy and it’s fun!! Log on to: jumprope.org.au and follow the directions!

When you have finished fundraising online let your teacher know and for your own reference you may like to print out a copy of the donations received online.
WPS

House Points

What are Houses? Students are allocated to a house when they arrive at WPS. These “Houses” are used for sporting and other school events. The 4 houses are called Reid, Chisholm, Faithfull and Murphy.

What are House points? House points are points given out to students who are making good choices and contributing to keeping our school community a good learning environment for everyone.

Allocation of House points:

White tickets - 50 – 200 at the discretion of the teacher

Working Bees/Outside school activities - 1000

Special Events (representing our school) - 500

Premiers reading Challenge - 500 to enrol and 1000 when finished.

General Classroom behaviour - 50-200 at the discretion of the teacher

What to do:

White tickets can be given out in class or out at lunch and recess times. Teachers allocate them and teachers put them in the barrel at the end of their yard duty. Please have a house point’s display in your class and be adding to this when you see fit. 5/6 students will come around weekly to check these and present at the assembly. If you need a display, see Courtney.
The next Working Bee will be on 29th Jul 9am-1pm

A quick reminder that our next working bee is on July 29th 9-1pm.

A list will go up in the office a week before so parents can sign up to help out.

There is 1000 house points given to the children of each family that comes along to help.

Every Face has a Place at Wangaratta Primary School

Name: Mrs Lisa Dekeling
Class: PE Teacher

Teaching Philosophy:

PE is a very important part of school. Not only does it help with physical fitness, skills and confidence, it also helps with social skills, being able to work in a team and being able to show good sportsmanship.

Physical education in school aims to promote a lifelong enjoyment of living life actively and being fit for life. Through fundamental skills development, active play, games and participating in a variety of sports and activities, students will gain the skills and confidence to be lifelong movers.

Some interesting facts about me:

I have a dog named Miles who is my running buddy.

I'm a qualified running coach through Athletics Victoria.

**MAKE A DIFFERENCE IN THE LIFE OF A CHILD**
Every day, foster carers with UMFC make an incredible difference to children who are unable to live with their own families. Foster carers can be single, married or partnered, they may own their own home or rent, they work in or way from their homes, some have children some don’t. Some of our carers provide respite care one weekend a month, while others prefer to care for children in emergency or short term placements. Foster carers need a commitment to children, a willingness to undertake training and assessment and the eagerness to give it a go. Training and 24 hour support is provided. Carers receive a non taxed reimbursement.
Our carers tell us that the good times far outweigh the tough, and their lives are enriched as they help a child move toward reaching their potential.
UMFC is currently seeking foster carers in your region. For more information contact Jeanine on 02 6055 8042, or 0429 552 520 or our see our Facebook page or www.umfc.com.au
